ABOUT

**Jaryd Smith was born on the east rand of Johannesburg, South Africa. His Grandfather and his Mother bought him his first guitar when he was six, but he only started playing when he was twelve years old.**

**Jaryd Smith studied music for four years at C.O.P.A (Campus Of Performing Arts) He then spent three years on the road driving to every province in South Africa with his band, Van Smith.**

**Jaryd Smith has now gone solo, playing and looping many instruments. He has found what he says he wants to do and he is incredibly happy.**
